2pi Software becomes Amazon Web Services Consulting Partner

2pi Software is pleased to announce that the organisation has joined the Amazon Web Services Consulting Partner programme. This translates into even stronger web hosting and support systems for all of our current and future clients.

As a software and web development company based in Bega NSW, 2pi Software is continually advancing the level of products and services we offer. The technology industry advances at a tremendous pace and thus we move quickly and deliberately so that we can provide our clients with the best results.

If your company or organisation requires state-of-the-art hosting with industry-leading up-time, contact us today and we would be happy to discuss your needs and provide you with the best and most cost effective solutions.
