

Attend the Code-A-Job Hackathon in Bega 21 September 2019

We are excited to announce the Code-A-Job Hackathon event will be starting at 9 am on Saturday 21 September, 2019.

The aim of the event is to get everyone - young and old - involved in some of the

exciting new tech field jobs that are becoming more and more in demand.

If you are unemployed, underemployed or just looking to freelance in tech, the Code-A-Job Hackathon is for you! Do you have an app idea? or even just an interest in technology generally? Want to be supported to take your next steps towards a future of your design? Join us at the Code-a-job Hackathon to start realising your future career.

There are only 3 days until the event, so [click here to register now!](#)
