

## **Bega Maker Space**

Have you heard about Maker Space ?

Technology doesn't have to be boring, find out how to use modern technology to be creative. Bega Valley Shire Council along with 2pi Software bring you Creativity with Technology. Free sessions are running during the school term throughout 2021, for children and young adults, at the Youth Space in Gipps Street Bega.

During the sessions you can learn all about Digital Music, how to use a 3D Printer and 3D Modelling Pens, Programming, Game Development, make your own game, Virtual Reality, Machine Learning and Artificial Intelligence, Animation and Robotics.

Youth Sessions (up to 25yrs,) Monday and Thursdays from 12pm to 3pm (Limited space 10 people)

School Children Sessions ( 8yrs to 18yrs), Mondays 3:30pm to 6:30pm (limited space 10 people).

Spaces are limited for each session due to CoVID, so tickets must be obtained via visiting the link below
